

To all my ex-patients and friends,

I am writing this letter to you all to share my feelings about the new dentist who is now practicing in my old office at 617 Cemetery Road in Winlock. Devin Clark DDS. is his name. He and his wife Brooke and their two young children moved to the area at the end of January,2020. The almost two month closure of the office due to the Covid-19 pandemic made the transition to a new office a little more difficult than was anticipated.

The office is open for business again. They are taking all the suggested precautions as recommended by the CDC, so your safety is their highest priority. I have talked extensively with Dr. Clark. I genuinely believe that he and his family are exactly what we need to continue the legacy I started on that spot in 1975.

Let's all support Dr. Clark and his awesome team. I personally pledge to you that you will not regret it.

Ric Shepherd DDS.
